

3T Medical Systems announces appointment of Robert White as Chief Financial Officer

August 20th, 2018, Canton, MI, USA

3T Medical Systems, Inc, a private medical products company in Canton, MI, today announces the appointment of Robert White to the position of Chief Financial Officer of 3T Medical. Rob will be responsible for leading the company's finance operations, financial strategy, management and financial reporting, and for managing our relationships with financial institutions and investment community.

"Rob is an experienced finance executive with an international career spanning multiple major industries. He has a track record of achieving improved business performance in large and complex organizations, and of negotiating and executing corporate and commercial transactions," said Jack Kelley, 3T Medical's Chief Executive Officer. "Rob's global finance and business leadership expertise along with significant transactional experience will be a valuable addition for our next phase of growth."

Previously, Rob was Interim CFO of Smiths Group PLC, a \$5B FTSE 100 global technology group. Immediately prior to that role, he was CFO at Smiths Medical, a \$1.5B medical device manufacturer, where he was responsible for driving restructuring programs to enhance operating margins and improve operating cash flow. He was a key member of the management team that transformed Smiths Medical from a traditional, regionally-organized company into an international business managed on global lines.

Rob has a BA, Accounting and Finance. He is a Fellow of the Chartered Institute of Management Accountants (FCMA) and a Chartered Global Management Accountant (CGMA).

About 3T Medical Systems

3T Medical Systems (3TM) is a medical products business in Canton, MI. 3TM is a privately held, growth company that was founded in 1998 and supplies medical product in the US and internationally. 3TM's products are primarily focused on the needs of clinical specialists (surgeons, perfusionists, anesthesiologists, operating nurses) who perform highly exacting surgical procedures such as open-heart surgery. 3T Medical Systems owns and distributes innovative medical consumables to acute care hospitals, integrated delivery networks, surgery centers, and large manufacturers.
