

Ron Frisbie Promoted to President of 3T Medical Systems (3TM)

August 1, 2019 - Canton MI, USA

3T Medical Systems (3TM) Inc., a private medical products company in Canton Michigan, today announced that Ron Frisbie will add the responsibility of President of 3TM, in addition to his current role as Chief Operating Officer. Frisbie continues to report to Jack Kelley, Chief Executive Officer.

As President and Chief Operating Officer, Frisbie will have daily oversight of 3TM's four operating segments (blood management, cardiovascular, musculoskeletal and emerging products), including innovation, new product development, quality, regulatory, contract manufacturing, supply chain, distribution, and pricing strategy.

"Ron's promotion is a natural outgrowth of the strong leadership he has already demonstrated while implementing 3TM's strategy and developing the global platform company we set out to build," said Jack Kelley, CEO of 3T Medical. "Ron's role in driving operating efficiencies, integrating acquisitions, and value engineering will help shape 3TM as a long term partner of choice for the global health care industry."

Frisbie was appointed Chief Operating Officer of 3TM in April 2017.
